## MAY NEWSLETTER

Arley Rectory,  
Coventry CV7 8RD

Dear Friends,

"Ne'er cast a clout til May be out," they say; but there is some discussion as to whether that means until the month of May is over' or 'until the May blossom is out!' Either way, May seems to be an in-between month, standing between the cold of winter and early spring and the warmth of summer.

God's creation teaches us so much about Him, and we can learn from May that it's important to hold on to what is good in the past, but to let go of the things that are not helpful. It's also important to look forward to what God has for us in the future, so that we make progress, and don't just stay in the same place. If we do that, we stagnate!—and we don't grow as people or as Christians.

We're delighted that the new PCC, elected at the AGM last month, will continue to work with us in the practical and spiritual care of the churches and the parish. It's good to know that George Ponder and Margaret Antill also continue as committed and hard-working churchwardens. Our joint responsibility is defined as follows:

**The PCC has the responsibility of co-operating with the incumbent in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical. It also has the maintenance responsibilities for the church building of St. Laurence, with the surrounding graveyard and car park. Also for the two church halls in Ansley Village and Ansley Common.**

Elsewhere in the magazine are the 11 Commandments that describe the work and outlook of PCC members. Do pray for them in their responsibilities.

Looking forward to our summer programme, **on May 6th we start an Alpha course with a free meal in the Village Church Hall.** There are thousands of Alpha courses all over the country. They cover the essentials of the Christian faith, and are very successful in helping people to understand what Christianity is all about, perhaps for the first time. If you know of anyone who perhaps has doubts about it, and who would be interested in asking the questions they have and discussing the subject, then come along at 7.30 p.m. and hear what it's all about. Maybe you've been a believer for a long time, but would like to have a 'refresher course' if so then Alpha is for you. It is informal and all questions are welcomed. And it's free!

May God enrich us by all that He has done in the past, and open our hearts and minds to what He wants for us in the future.

Gill and Geoff.

## **MORE NEWS FROM THE AGM AND PCC**

It was decided to change the way the PCC is elected, in order to come into line with current practice. A third of the PCC is now elected to stand for 3 years, and a third for 2, and a third for one

year. All names were drawn out of a hat. This is not a way of persuading people to stand down! — anyone may stand again when their term of office is up.

The members of the PCC are as follows:

W. Ponder, M. Sutton, F. Priest, A. Richard, I. Richardson, J. Allton, A. Truelove, J. Wakeford-Davy, R. Hobbs, M. & G. Freestone, M. Oliver, D. Morley, D. Kealey, D. Cove, M. Kimberley.

G. Ponder and M. Antill were re-elected as Churchwardens.

D. Cove and G. Ponder as Deanery Synod reps for the next 3 years.

M. Sutton as Treasurer.

M. Oliver as Secretary.

Deputy Wardens: A. Truelove, J. Allton, D. Cove. These were also made sidespeople, as deputy wardens have no legal standing.

J. Wooliscroft and B. Lowe were thanked for the many years they had served on the PCC. They are now standing down.

In future, nominations for PCC members and other AGM elections are to be in writing 5 days before the AGM.

Dear Friends,

As the months speed by it reminds me of the famous lines "What is this life if full of care, we have no time to stop and stare." How true this is as in the hustle and bustle of life the daffodils, tulips and primroses come and go but did we find time to stop and look at their beauty, their colour, their perfection? It is the same with all aspects of life we don't see the beauty at the time—our lives are too busy to stop and take in God's world.

When I listen to the news I think what a catalogue of disasters and grief. Wouldn't it be great if the newscaster showed us the beautiful flower beds in Nuneaton or the lambs in the fields, as especially at this time of the year nature is at her best. We can see God's world starting to wake up with new life and although it is important we care about the dismal and tragic aspects of the world, perhaps a ray of hope and God's goodness to us would be refreshing. It may remind us of how much we have to say thank you for, and this inspired me to write the following poem called "God's Plan."

Sometimes I sit and wonder why tall oak trees reach nearly to  
the sky  
Why poplars stand so tall and straight, while honeysuckle winds  
around the gate.  
The skylark soars with song so sweet as if the heavens themselves  
he'll meet.  
Down on the ground the rabbits play, while scurrying mice go  
on their way.  
The bee joins in the flowers to woo, Even tiny ants have a job  
to do.  
I look around at this wondrous scene, What a beautiful creation  
this has been!  
So if you have the time every mortal man should sit and look  
at God's glorious plan.

We should care for the world, as we did on April 10th when an agreement, a plan for peace, was agreed in Northern Ireland and you could almost hear a cheer of joy and relief go up throughout the Western world. In the midst of this joy let us pray that God will set his seal on this agreement and that men of peace will see the reward for their years of endeavour, so that once again the people of Northern Ireland can live in peace in their beautiful country, and find time to enjoy God's glorious plan.

God Bless,  
Marie.
