

Parish Code 110611060

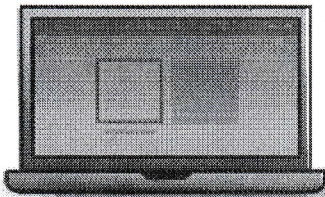

As a Statement Receiver, we've included some key information we think it's important for you to know:

## THREE WAYS TO GIVE

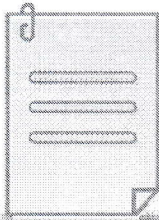

### BY TELEPHONE

Prospective donors may set up a regular Direct Debit gift over the telephone by calling **0333 002 1271**, Monday to Friday between 9am - 5pm.

### ONLINE

Regular giving can now be set up online at **www.parishgiving.org.uk** and donors can also manage their preferences including Gift Aid and inflationary giving.

### BY POST

If using gift forms, please ensure that the name of your Church/Parish and PGS Parish Code are completed clearly. This will ensure that new gifts are administered without delay and that donations are returned to the correct parish.

All new donors will receive a letter of confirmation showing the start date of their donation. This will enable them to cancel their Standing Order, if they have one, at the correct time.

Please note that we **cannot** do this for them.
